With great difficulty, it has been possible to accomodate the members of G. Branch and one assistant for ~~B.A.LL.B.~~ R.L.A's. digest, on the third flour. Now, no space is left on the third floor for Mr.Divatia. He may therefore, be accomodated on the second floor, in the library, is the table of Mr. Chandrachud is for this time being vacant, on account of his transfer to B branch temporarily, The speace given to Mr. Divatia will be available for Mr. Chandrachud, after two months ——— the period of his training.

I think we should squeeze one table sanction on the 3rd floor. Mr. Divatia has to learn office work and that he will never do unless he sits in the office proper.

Moreover I have done scrutinising work in about 3 cases for the purpose of including there in the digest of cases to be published soon. I think I should now be allowed to see work in other branches, particularly that in "B" branch which is dealing with drafting work for others.

Mr. Divetia has impressed us as a good worker. I have found him always keen on learning work and though the period of his training was in L.D. was short, I am sure he has benefitted to a large extent.
